Subject: **GRANBY STREET RECONSTRUCTION UPDATE**

The Department of PublicWorks has been in the process of installing roadway base material in Granby Street. The next phase of the project involves paving from Westbourne Parkway to Pembroke Street. Based on the contractor's schedule, paving will begin Tuesday September 21st. Paving will continue for approximately 5 working days. Granby Street will be closed to thru traffic while the contractor is working. Access to driveways to individual homes will be limited while paving operations are in progress. However, driveway access will be maintained at night. Detour signage directing thru traffic to alternate routes will be posted. The public will be notified of any changes to this schedule. Those persons traveling to Annie Fisher School by vehicle are requested to utilize Mark Twain Drive and to allow for time necessary to use the alternative routes.
